

Taisho Cave course

Approx. 1 hour 5 minutes

Short trail course to enjoy harmony of forest and grassland.

If you add Youth Outdoor Learning Center or Kaerimizu as trail spots, you can walk longer distance. Route can be planned according to ability and experience.

Chojagamori course 1

Approx. 2 hours 25 minutes

Hiking course covering three spots to take you up to the observatory by going through mysterious Chojagamori space.

If you don't have time, just walking around Mt.Kanmuri and Mt.Kita is also great fun.

Karst Observatory course

Approx. 55 minutes

Nature observation course with casual walking. Recommended for those who do not have much time.

From Mt.Wakatake, if you go around toward Chojagamori in north, the course will immediately become the long trail.

Chojagamori course 2

Approx. 1 hour 50 minutes

Let's walk from north to south and then go around Akivoshidai. Various flowers cover the field from spring to autumn.

You can walk in the figure eight pattern. If you are a good walker the plan to walk through Myoukenbara and go top of the Mt.Nishinonishi is recommended.

Akiyoshidai Kazokuryoko-mura course

©Approx. 2 hours 15 minutes

Highlighting plan of views from the peaks of three mountains located in the southwest area including Mt, Ryugoho, the highest point of Akiyoshidai

By walking down from Mt.Nishinonishi to Myoukenbara, you can further extend the distance to the point of Karst observatory from Mt.Wakatake.
