# A Lap Around Akiyoshidai, Nagato & Tsunoshima Bridge Course

The course takes you on a lap around the northern and western parts of Yamaguchi, including Akiyoshidai, Nagato City, and Tsunoshima Bridge. It is about 127km and takes about 8 hours and 30 minutes. It is recommended for those who have confidence in stamina and want to enjoy Yamaguchi Prefecture at a leisurely pace.

## Tsunoshima Bridge

Tsunoshima Bridge spans across the cobalt blue sea of Amagase. Among the bridges to the remote island, it is the longest in Japan (1,780m) for a toll-free public road.
