■Open/ daily throughout the year from 8:30 to17:30

(Enter the cave by 16:30 from Dec. to Feb.)

■TEL/0837-62-0018

 Share taxi services available for weekdays only.

Please use a regular route buses on weekends.

 Share taxies operated according to their own timetables.

5 round-trip rides a day. Please make good use of them as a sightseeing facility.

 Passengers getting on and off at the taxi stops especially located at the main 8 sightseeing spots within the Akiyoshidai area.

Please use the taxies as a substitute for the route buses for returning after the end of the Akiyoshido sightseeing expedition.

### [Cautions on Share taxi Services]

- The taxi may be late in arrival at its stops depending on road conditions.
- Because it's a share taxi, you may have to ride the car together with other passengers.
- Where the fixed number of passengers exceeds 9 people (including the taxi crew), please wait for the subsequent taxi.
- Taxi operation is suspended during the winter time from December 1 to March 31.

## Time Table

### Revised on April 1 2015
